

Unique or Added Value Features

One-Click Balance Feature with Patented Pivot System

One click adjusts the balance point to accommodate users of different shapes and sizes without removing the Table Bed from the frame. Pivot system ensures smooth, whisper-soft rotation and control.

Deluxe EZ-Reach Ankle System

Extra-long handle with gravity lock reduces the need for bending when securing the ankles. Wrap-around Ankle Cups provide maximum support & comfort. Foot platform dials up or down for a customized fit.

Ergonomic FlexTech™ Bed

Flexible, patented design moves with the user to increase range of motion and stretching options. Adjustable pillow included for comfort.

EZ-Angle™ Tether & Better Back™ Accessories

Included Acupressure Nodes & Decompression Arch add healing pressure and support of the lower back to enhance decompression. Adjustable tether marks preset angles at 20, 40 and 60 degrees for easy rotational control.

Built for the Benefits

Reliable, Trustworthy Performance

The Teeter is an FDA-cleared Class 1 medical device indicated for back pain and related conditions. UL Listed Label demonstrates independent certification to meet the toughest quality standards. Trust Teeter for unmatched quality with a 35-year legacy, industry leading 5-year full warranty and easy 13 min. assembly.

Sleek Frame Design with Precision Balancing

Unique, curved frame creates both an aesthetic and functional benefit - the style is like no other in the market and allows for easier mounting and dismounting. One-of-a-kind engineering offers smooth rotation and controlled lockout in full inversion with option for inverted exercises.

Stable Base & Quick-Fold Storage

The heavy-duty steel base is coated in a scratch-resistant finish and features stability feet that help protect your floors. Folds easily for storage, no disassembly required.
